There are several existing teachers at the high school that have health and physical education endorsements, but none have endorsements in life science or biology. Shauna Bagley is interested in the Head Volleyball Coach position. Shauna has the support of Principal Sylvester and Superintendent Yates. President Nielson asked if Superintendent Yates had seen any good candidates at the job fair. Superintendent Yates stated that there were several good candidates, but none with a biology endorsement, however, there is the possibility of getting the endorsement after being hired. Superintendent Yates showed the board members the position announcement that he was working on and asked for their input. Derrin Jensen suggested taking off wrestling coach and adding girls track. After reviewing and making changes, the board members asked Superintendent Yates to post the position as soon as he could.
